- Coaches will normally be expected to travel daily to tournaments and/or away games that are 100 or less miles from Columbia. Exceptions may be made for early morning game starts.
- Whenever possible, coaches will travel together and room together. Mileage will only be paid to coach driving his vehicle. Teams will equally share hotel room allowance and mileage allowance. Food allowance will be separate.
- If a coach is traveling with 2 teams, the 2 teams will equally share travel reimbursements.
- Coaches will minimize the nights spent in hotels, i.e. starting game times will be considered before automatically assuming 2 nights for tournaments that are more than 100 miles from Columbia.
