

Taco Bell Viking Cup

Map Key

*****The campus has changed with the new school. Fields have changed as well. Please use this map and key for your teams' and parents' convenience.*****

***Coaches – please use this map to help access fields, gates, and parking. Also, please disseminate to parents and fans as needed. This will simplify the process for all. Please ask fans and players to follow directions of security personnel in parking areas. Thanks!**
***Please note – map is NOT drawn to scale. For example, the church location is smaller than it appears and does not align directly with the school, fields are not to scale, etc.**

1. All five SV\CUFC match fields and related parking locations are shown on the map. Blythewood Stadium is not. Please see “Directions to Fields and Hotels” page for directions to Blythewood. Field HP is still shown on map and in this key but will not be in use this year.
2. Sparkleberry Lane (across the center of the map) is the road that runs in front of SVHS and the church.
3. From the High School, Two Notch Road (US #1) is located toward the left on Sparkleberry – Clemson Road (to I-20) is to the right.
4. Parking areas are labeled to reflect the field(s) they provide access to. All parking areas are accessed via Sparkleberry Lane (some have internal gates as shown).
5. All **match field locations** except Blythewood Stadium (refer to your brackets) are labeled (HP on upper left of page, SV1, SV2, and SV3 on upper right, and C1 and C2 at bottom of page behind SV Presbyterian Church). Parking and gate access is also labeled.
6. **Vehicle access** will not be permitted beyond the designated parking lots for visiting teams. Exception is **tournament staff parking**, which is assigned at the lot behind SV2 by Wal-Mart.
7. **Team bus parking** must occur as directed. Buses can access the entire parking lot behind the church for C1 and C2. For SV1, SV2, and SV3, buses will park as directed by security personnel. For field HP, buses will park in the far left lot (very large area).
8. **Tournament brackets** will be mounted at or near all gate areas. However, the official brackets (per scoring) will be located at the concession area adjacent to fields SV1 and SV2.
9. **Restaurants** are located in close proximity to the playing venues but are not shown on the map. **Firehouse Subs (running our team lunch special) is located across the street and just up the road toward Two Notch.** Directly across from the school (next to the church) and progressing up the road towards Two Notch and into the Kroger shopping center, you will find Carrabba's, McAlister's, Chick-Fil-A, Lizard's Thicket, O'Charley's, Red Lobster, Olive Garden, and Arby's. In the Publix parking lot next to the school is a Schiano's (Italian). From Sparkleberry Lane, turning either direction onto Two Notch Rd. will take you to numerous restaurants within a mile or so, both fast food and otherwise. The area by I-20 (take Sparkleberry to Clemson Rd.) also has numerous restaurants. Blythewood Road has numerous restaurants if needed.
10. **Seating at Fields** varies. SV1 and Blythewood Stadium have bleachers. Fans will need to bring portable chairs to CUFC fields and SV2 (bleachers are planned for this field and may be ready) and SV3.
11. Full **concessions** will be available at SV1, SV2, and SV3. Limited concessions may be available at CUFC. Concessions may be available at Blythewood Stadium as well.
